

Arizona Congressional District 4 Communities Benefit From LSTA Funds

Federal funds administered by the Institute of Museum and Library Services provide access to electronic resources and literacy programs for all Arizona citizens. In addition, funds are distributed to community libraries through competitive subgrants. In 2015, CD 4 libraries used LSTA awards to:

- Expand cultural awareness in Florence and Prescott Valley.
- Preserve old format photographic and audio items through digitization.
- Double participation in the Bagdad Summer Reading Program.

Operation Digitization, Pinal County Library District

One unexpected outcome of the project stems from the partnership between the public library and school. The LSTA project allowed these two entities to pursue a common goal and create a lasting relationship that centers on the promotion of literacy.

-- Tracie Loveall, Bagdad Public Library
